(Mrs) JOCELYN M CHAIBVA (Zimbabwe) **Vice-President**; Pharm. (Sir) ANTHONY AKHIMIEN (Nigeria) **Immediate Past President-Ex-officio**

2020: AFRICAN PHARMACEUTICAL FORUM (APF): 16 YEARS now!

ABOUT US: The African Pharmaceutical Forum (APF) is the FIP forum comprised of national pharmaceutical associations of countries in the World Health Organization's African region (Afro). The forum was founded in May 2004 in the capital of Zimbabwe and exists to promote pharmacy practice in the region. Membership is open to all pharmacists' associations in the region.

OUR MISSION: Is to increase partnership, dialogue, understanding, and activity in matters relating to the practice of pharmacy and pharmaceutical sciences in the Afro region. This is to enable the profession of pharmacy to have

CURRENT PROJECTS

- Improve and encourage communication and cooperation within the region, between member associations and especially overcoming language barriers.
- Develop projects and initiatives that will support APF mission and advance pharmacy practice in the region.
